Actually, if he's avail, that would be awesome! Would only need 5-10 minutes really. If he's not, that's ok too (I think I know the latest updates). Cell is below.

Hey Alex,

Any chance you already have some talking points for Texas air issues? I'm doing a talk in San Antonio and figured I wouldn't reinvent the wheel if you happen to have something handy. If not, no sweat. Hope all's well in DC!

Thanks,

Erin E. Chancellor
